FORSYS RECEIVES ENVIRONMENTAL CLEARANCE FOR VALENCIA

FOR IMMEDIATE RELEASE: JUNE 4, 2008

Forsys Metals Corp. (“Forsys” or the “Company”) is pleased to announce the Company’s approval and clearance by the Namibian Ministry of Environment and Tourism on both the Environmental Impact Assessment (“EIA”) and the Environmental Management Plan (“EMP”).

Environmental clearance for the EIA and EMP is a critical step in the Company being granted a mining license for Valencia, the Company’s wholly-owned uranium project, from the Namibian Ministry of Mines and Energy. Forsys would like to acknowledge the Ministry of the Environment and Tourism for their cooperation throughout this process.

On Behalf of the Board of Directors
of Forsys Metals Corp

Duane Parnham
President and CEO
