

NEWS RELEASE

Forsys Announces the Appointment of Richard Parkhouse as Director, Investor Relations

Toronto, ON – October 8, 2021 - Forsys Metals Corp. (TSX: FSY) (FSE: F2T) (NSX: FSY) (“Forsys” or the “Company”) is pleased to announce that Richard Parkhouse has been appointed as Executive Director responsible for Investor Relations with immediate effect.

Mark Frewin, Interim CEO stated that “Richard has significant experience and background in investor marketing from his past career in investment banking and asset management and is perfectly placed to spearhead this role.”

With its fully permitted Valencia Mining Licence, Forsys is intent on capitalizing on the recent positive market sentiment in the uranium sector, by updating its feasibility study and advancing the development of its wholly-owned Norasa Uranium Project in Namibia. In connection with this goal Forsys is focused on enhancing its investor communication strategies and backing.

Also, Richard will be attending the annual Red Cloud Octoberfest virtual Conference from Monday October 18th to Wednesday October 20, 2021 where he will be presenting “The Forsys Corporate Opportunity” on Tuesday 19th October at 11am ET and will be available on October 19th for 1x1 meetings between 9am ET and 5pm ET.
